# Social Bookmarking: To build links and enable users to link from your repository to their favorite social sites

## Social Bookmarking

The image shows two overlapping screenshots of the WinSCP file manager interface. The top screenshot shows the 'plugins' directory on a remote server. A red arrow points to the 'SocialBookmarking' folder. The bottom screenshot shows the 'SocialBookmarking' folder expanded, with a red circle around the 'plugin.php' file.

## About

The Obama 2008 Election Ephemera Collection features buttons and posters created by American citizens and not party affiliated campaign materials. Creators and artists posted their works on Etsy.com for sale, reflecting the excitement and optimism the Obama 2008 campaign generated in American popular culture. The collection was put together by Wendy Ball-Attipoe during the period of September 2008 - January 2009, covering the election season and post inauguration. The purpose of this site to document some of the popular culture ephemera generated during the 2008 historic Obama election campaign and 2009 inauguration period.
